

# Brea Canyon High School

## School Accountability Report Card

### Reported Using Data from the 2017-18 School Year

#### Published During 2018-19

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## **About This School**

#### **Contact Information (School Year 2018-19)**

<b>School Contact Information</b>	
<b>School Name</b>	Brea Canyon High School
<b>Street</b>	689 N. Wildcat Way
<b>City, State, Zip</b>	Brea, CA 92821-7400

### **School Description and Mission Statement (School Year 2018-19)**

Welcome to our Brea Canyon High School (BCHS) Annual School Accountability Report Card (SARC) and thank you, in advance, for taking time to explore and learn more about our school. As principal, I could not be more proud of Brea Canyon High School and everything we do here to support student learning and scaffold responsible, productive citizenship within our community. In compliance with Proposition 98, which identifies the School Accountability Report Card as a required component that every school in California must issue, Brea Canyon's purpose for this report card is to afford you further insight into the quality educational program we offer.

Brea Canyon High School, a six (6) year WASC accredited and state recognized model continuation high school, is located at the north edge of Orange County in the City of Brea. The new school site opened its doors in 1989 to grades ten through twelve. The educational programs at the school are designed to meet the customized needs of students who learn best in a flexible educational environment. Brea Canyon High School provides maximum access to the required academic courses that exceed the State's mandated minimum daily requirements. Students are encouraged by teachers, staff, and administration to continue their education by attending community college after graduation. Strong emphasis is placed on the occupational/career orientation and maintaining work-study schedules in preparing students to enter the workforce. Our Brea Unified School District Independent Study Program is housed at Brea Canyon High School; the principal of BCHS is the administrator of the Independent Study Programs for ninth-twelfth grade students attending both Brea Olinda High School (BOHS) and Brea Canyon High School. Additionally, the District, in collaboration with BCHS administration, implemented a new program [Futures Academy] in 2018-19 aimed at servicing a faction of students diagnosed with Emotional Disturbance or high anxiety causing school refusal behavior.

It is the belief of Brea Canyon High School Staff that students can and will excel in an environment that is tailored to their personal and evolving needs. It is because of this belief that we have been able to successfully develop a comprehensive educational system that celebrates and promotes ethnic and cultural diversity, individuality, and emotional, intellectual, and social eminence. As a result of the tireless efforts from the BCHS Coyote staff in these areas, Brea Canyon High School was recognized in 2016, as a Model Continuation High School by the state of California. BCHS is in process of reapplying for this designation in 2018-19 in hopes of renewing our status as a Model Continuation High School for the next three years.

This acknowledgement from the state only fuels our long-standing tradition of excellence in maintaining our commitment to all of our community stakeholders in providing the best educational experience possible for every Brea Canyon student that enters our Coyote den. We renew this commitment yearly in hopes that together, we will continue to improve our effectiveness in educating the students of today by ensuring as best we can that they are college-and-career ready for a 21st century workforce in preparing them to become productive citizens of tomorrow. It is in light of this fact that we welcome any suggestions, ideas, or comments you may have.

Thank you for assisting Brea Canyon High School in making our students' experience here not only a memorable one, but an enjoyable one as well.

### **Student Enrollment by Grade Level (School Year 2017-18)**

<b>Grade Level</b>	<b>Number of Students</b>
<b>Grade 10</b>	15
<b>Grade 11</b>	14
<b>Grade 12</b>	20
<b>Total Enrollment</b>	49

### Student Enrollment by Group (School Year 2017-18)

Student Group	Percent of Total Enrollment
Black or African American	2.0
American Indian or Alaska Native	0.0
Asian	4.1
Filipino	0.0
Hispanic or Latino	75.5
Native Hawaiian or Pacific Islander	0.0
White	18.4
Socioeconomically Disadvantaged	61.2
English Learners	20.4
Students with Disabilities	18.4
Foster Youth	0.0

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

### Teacher Credentials

Teachers	School			District
	2016-17	2017-18	2018-19	2018-19
With Full Credential	8	8	8	
Without Full Credential	0	0	0	
Teaching Outside Subject Area of Competence (with full credential)	0	0	0	

### Teacher Misassignments and Vacant Teacher Positions

Indicator	2016-17	2017-18	2018-19
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments *	0	0	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

\* Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

**Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)**

**Year and month in which data were collected:** March 27, 2017

Brea Olinda Unified School District held a Public Hearing on October 26, 2015, and determined that each school within the District has sufficient and good quality textbooks, instructional materials, or science lab equipment, pursuant to the settlement of Williams vs. the State of California. All students, including English Learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. All textbooks and instructional materials used within the District are aligned with the California State Content Standards and Frameworks and have been approved by the Board of Education. All textbooks from core curricular areas for grades K-8 were selected from the most recent list of standards based materials adopted by the State Board of Education (SBE) and are consistent with the content and cycles of the curriculum frameworks adopted by the SBE. Materials adopted for grades 9-12 were selected from the most recent list of standards based materials adopted by the State Board of Education (SBE) or the local governing board and are consistent with the content and cycles of the curriculum frameworks adopted by the SBE. Last curriculum adoption was the adoption of English/Language Arts that included Benchmark Advance (K-6), McGraw Hill Study Synch (7-8), and Houghton Mifflin Harcourt Collections (9-12) adopted by board on March 27, 2017.

Subject	Textbooks and Instructional Materials/ Year of Adoption	From Most Recent Adoption?	Percent of Students Lacking Own Assigned Copy
<b>Reading/Language Arts</b>	9th-12th Houghton Mifflin Harcourt Collections English/Language Arts, English Language Development Program 2017	Yes	0
<b>Mathematics</b>	Algebra, Geometry, Algebra 2 - Houghton Mifflin Harcourt 2015	Yes	0
<b>Science</b>	9th-12th Science Glencoe 2001 9th-12th Science Pearson-Addison Wesley 2000 9th-12th Science McDougal-Littell 2005	Yes	0
<b>History-Social Science</b>	9th-12th Social Science Prentice Hall 2002 9th-12th Social Science Houghton Mifflin Harcourt 2006 9th-12th Social Science Harcourt 2007 9th-12th Social Science Prentice Hall 2005	Yes	0
<b>Health</b>	Health - Holt 2009	Yes	0
<b>Science Laboratory Equipment (grades 9-12)</b>	100% of students enrolled in Science classes in Grades 9-12 have access to laboratory equipment in their lab classes including the earth science, physical science, and life science laboratories.	No	0

**School Facility Conditions and Planned Improvements (Most Recent Year)**

Brea Canyon High School (BCHS) and its grounds are closed until a staff member arrives and opens the campus. At the end of the day the entrance gate to the campus is closed by the last staff member leaving and the gate to the parking lot is closed and locked every evening. Before school, during snack/lunch, and after school assigned staff members and administration supervise students and school grounds to ensure a safe and orderly environment.

Safety concerns are the number one priority of Maintenance and Operations. District maintenance supervisors are proactive and conduct inspections at school sites on a continual basis. Repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. As of January 11, 2019, none of the eight emergency conditions cited in Education Code 17592.72 exist at this school. Several times throughout the year the site custodian conducts a safety inspection of our campus.

When repairs are necessary a work order is entered into a computerized system which will automatically assign the job to a district maintenance staff member. In the event of an emergency, the district maintenance office is notified immediately.

The BCHS custodian has a daily routine to ensure that every classroom, restroom, snack area, and office is always clean and safe for the students and staff. If the custodian is absent a substitute is assigned and a list of responsibilities are left in the custodian closet. The materials safety data sheets for every cleaning product used within the district is located in a notebook in the school office.

The School Facility Good Repair Status below represents the conditions of Brea Canyon High School.

Current Facilities Inspection was completed On January 11, 2019.

**School Facility Good Repair Status (Most Recent Year)**

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

<b>School Facility Good Repair Status (Most Recent Year)</b>		
<b>Year and month of the most recent FIT report: January 11, 2019</b>		
<b>System Inspected</b>	<b>Repair Status</b>	<b>Repair Needed and Action Taken or Planned</b>
<b>Systems:</b> Gas Leaks, Mechanical/HVAC, Sewer	Good	
<b>Interior:</b> Interior Surfaces	Good	
<b>Cleanliness:</b> Overall Cleanliness, Pest/Vermin Infestation	Good	
<b>Electrical:</b> Electrical	Good	
<b>Restrooms/Fountains:</b> Restrooms, Sinks/Fountains	Good	
<b>Safety:</b> Fire Safety, Hazardous Materials	Good	
<b>Structural:</b> Structural Damage, Roofs	Good	
<b>External:</b> Playground/School Grounds, Windows/ Doors/Gates/Fences	Good	

**Overall Facility Rating (Most Recent Year)**

<b>Year and month of the most recent FIT report: January 11, 2019</b>	
<b>Overall Rating</b>	<b>Exemplary</b>
<b>Overall Rating</b>	<b>Exemplary</b>

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2016-17	2017-18	2016-17	2017-18	2016-17	2017-18
<b>English Language Arts/Literacy (grades 3-8 and 11)</b>	23.0	21.0	66.0	67.0	48.0	50.0
<b>Mathematics (grades 3-8 and 11)</b>	0.0	7.0	61.0	63.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

### CAASPP Test Results in ELA by Student Group Grades Three through Eight and Grade Eleven (School Year 2017-18)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
<b>All Students</b>	17	14	82.35	21.43
<b>Male</b>	11	11	100.00	27.27
<b>Female</b>	--	--	--	--
<b>Asian</b>	--	--	--	--
<b>Hispanic or Latino</b>	11	8	72.73	0.00
<b>White</b>	--	--	--	--
<b>Socioeconomically Disadvantaged</b>	12	10	83.33	10.00
<b>English Learners</b>	--	--	--	--
<b>Students with Disabilities</b>	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Mathematics by Student Group  
Grades Three through Eight and Grade Eleven (School Year 2017-18)**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	17	14	82.35	7.14
Male	11	10	90.91	10
Female	--	--	--	--
Asian	--	--	--	--
Hispanic or Latino	11	8	72.73	0
White	--	--	--	--
English Learners	--	--	--	--
Students with Disabilities	--	--	--	--

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Science for All Students  
Grades Five, Eight, and Ten**

Subject	Percentage of Students Meeting or Exceeding the State Standard					
	School		District		State	
	2016-17	2017-18	2016-17	2017-18	2016-17	2017-18
Science (grades 5, 8, and 10)	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

**Courses for University of California (UC) and/or California State University (CSU) Admission**

UC/CSU Course Measure	Percent
2017–18 Pupils Enrolled in Courses Required for UC/CSU Admission	98.0
2016–17 Graduates Who Completed All Courses Required for UC/CSU Admission	0.0

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

#### Opportunities for Parental Involvement (School Year 2018-19)

Parents who wish to participate in Brea Canyon High School's leadership team, school activities, or become volunteers may contact the school office at 714.990.7882. Your assistance is always welcomed.

As a Title I school, Brea Canyon High School (BCHS) strongly believes that the combined partnership between home and school is essential to have a positive academic outcome for every student. The Brea Canyon High School Parent-Student Compact outlines how the students, the parents, and the entire school staff will share the responsibility for student success. Students, parents, and staff begin each school year with a commitment to mutual responsibilities in supporting the educational success of each student. The Brea Canyon High School Parent-Student Compact is an important document signed by students, parents, and administration representing the BCHS school staff at the beginning of each school year to demonstrate the individual activities each partner will do in order to build and develop a partnership. A copy of the Brea Canyon High School Parent-Student Compact may be requested by contacting the school office at 714.990.7882.

Further, Brea Canyon High School strives to build parent and community involvement through activities and or meetings that include, but are not limited to:

- School-Site Council meetings (quarterly)
- School orientation meetings (before start of school year and throughout school year as students enroll)
- Back to School Night/Open House Events
- BCHS Thanksgiving Food Drive
- Red Cross Blood Drives
- Fire and Police Games
- Veteran's Day/Memorial Day/Letters to Heroes Events
- Senior Dinner
- Graduation
- "The Canyon Howler" newsletter updates (quarterly principal mailers)
- School Messenger informational phone/SMS/App messages
- Brea Canyon social media account updates (Twitter/Instagram)

Brea Canyon High School is continuously searching for various avenues in creating family and community involvement with school-related spirit and academic events.

### State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates.

#### Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School			District			State		
	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17
Dropout Rate	9.4	16.7	22.5	1.9	2.0	2.5	10.7	9.7	9.1
Graduation Rate	90.6	83.3	70.0	96.6	96.4	95.1	82.3	83.8	82.7

For the formula to calculate the 2016–17 adjusted cohort graduation rate, see the 2017–18 Data Element Definitions document located on the SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.

**Completion of High School Graduation Requirements - Graduating Class of 2017 (One-Year Rate)**

Group	Graduating Class of 2017		
	School	District	State
All Students	80.6	96.8	88.7
Black or African American	100.0	90.9	82.2
American Indian or Alaska Native	0.0	100.0	82.8
Asian	100.0	100.0	94.9
Filipino	100.0	100.0	93.5
Hispanic or Latino	66.7	94.6	86.5
Native Hawaiian/Pacific Islander	0.0	100.0	88.6
White	100.0	96.5	92.1
Two or More Races	0.0	75.0	91.2
Socioeconomically Disadvantaged	83.3	95.2	88.6
English Learners	50.0	66.7	56.7
Students with Disabilities	100.0	93.1	67.1
Foster Youth	0.0	0.0	74.1

**State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

**Suspensions and Expulsions**

Rate	School			District			State		
	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18
Suspensions	3.1	6.4	12.4	2.0	2.3	1.5	3.7	3.7	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.0	0.1	0.1	0.1

**School Safety Plan (School Year 2018-19)**

Parents and visitors are required to check in at the school office upon arrival and obtain a visitor’s badge; visitors are required to return to the school office upon departure. This includes all students enrolled into BOUSD Independent Studies and Futures Academy programs.

The Comprehensive Safety Plan was developed by the School and District to comply with Senate Bill 187 (SB 187) of 1997. The plan provides students and staff a means of ensuring a safe and orderly learning environment in encountering various safety scenarios. Each school includes the following requirements of SB 187 within their safe school plans: current status of school crime; child abuse reporting procedures; disaster procedures, routine and emergency; policies related to suspension and expulsion; notification to teachers; sexual harassment policy; provision of a school-wide dress code; safe ingress and egress of pupils, parents, and school employees; safe and orderly school environment; and school rules and procedures.

Annually, the school evaluates and updates the plan. Safety procedures, including elements of the Comprehensive Safety Plan, are reviewed with School and District staff in the fall. Brea Canyon High School conducts at least two fire drills, two disaster drills, and two lockdown drills on an annual basis.

**Average Class Size and Class Size Distribution (Secondary)**

Subject	2015-16			Avg. Class Size	2016-17			Avg. Class Size	2017-18					
	Avg. Class Size	Number of Classrooms			Avg. Class Size	Number of Classrooms			Avg. Class Size	Number of Classrooms				
		1-22	23-32			33+	1-22			23-32	33+	1-22	23-32	33+
English	10.0	10			9.0	9			7.0	9				
Mathematics	7.0	13			7.0	6			9.0	5				
Science	13.0	5			5.0	5			5.0	6				
Social Science	13.0	7	1		8.0	11			9.0	9				

Note: Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

**Academic Counselors and Other Support Staff (School Year 2017-18)**

Title	Number of FTE Assigned to School	Average Number of Students per Academic Counselor
Academic Counselor	.1	60
Counselor (Social/Behavioral or Career Development)	.5	N/A
Library Media Teacher (Librarian)	0	N/A
Library Media Services Staff (Paraprofessional)	0	N/A
Psychologist	0.2	N/A
Social Worker	0	N/A
Nurse	0.1	N/A
Speech/Language/Hearing Specialist	0.1	N/A
Resource Specialist (non-teaching)	0.5	N/A
Other	0	N/A

Note: Cells with N/A values do not require data.

\*One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

**Expenditures per Pupil and School Site Teacher Salaries (Fiscal Year 2016-17)**

Level	Expenditures Per Pupil			Average Teacher Salary
	Total	Supplemental/ Restricted	Basic/ Unrestricted	
School Site	\$12,656	\$1,035	\$11,621	\$60,396
District	N/A	N/A	\$6,300	\$79,445
Percent Difference: School Site and District	N/A	N/A	59.4	-24.5
State	N/A	N/A	\$7,125	\$76,522
Percent Difference: School Site and State	N/A	N/A	55.5	-20.9

Note: Cells with N/A values do not require data.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

## Types of Services Funded (Fiscal Year 2017-18)

An At-Risk Counselor was added to the staff during 2015-16 to provide social-emotional support to students. Supplemental Educational Services were offered to all eligible students. Apex Learning online digital curriculum program was piloted in the spring of 2017 and written into the BOUSD LCAP and adopted by board on June 26, 2017. Additionally, a Memorandum of Understanding was approved by the Governing Board in September of 2018 with a community-based organization called, Project Kinship, to supply Brea Junior High School, Brea Olinda High School, and Brea Canyon High School with one (1) FTE Restorative Practice (RP) Specialist to split between all three (3) secondary schools. The school-based programs provided by Project Kinship are aimed at providing further socio-emotional learning services to the students of our secondary schools and providing professional development opportunities in Restorative Practices for our secondary staff.

## Teacher and Administrative Salaries (Fiscal Year 2016-17)

Category	District Amount	State Average for Districts In Same Category
Beginning Teacher Salary	\$43,528	\$47,547
Mid-Range Teacher Salary	\$81,013	\$74,775
Highest Teacher Salary	\$104,070	\$93,651
Average Principal Salary (Elementary)	\$122,623	\$116,377
Average Principal Salary (Middle)	\$127,435	\$122,978
Average Principal Salary (High)	\$147,718	\$135,565
Superintendent Salary	\$226,163	\$222,853
Percent of Budget for Teacher Salaries	37.0	35.0
Percent of Budget for Administrative Salaries	5.0	6.0

For detailed information on salaries, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

## Advanced Placement (AP) Courses (School Year 2017-18)

Subject	Number of AP Courses Offered*	Percent of Students In AP Courses
Computer Science	0	N/A

## Professional Development (Most Recent Three Years)

---

All curriculum development by Brea Canyon High School and Brea Olinda Unified School District is aligned to the Common Core State Standards and the school's School Plan for Student Achievement. At the District level, a team of administrators specializing in curriculum and instruction development identifies where and why students are not meeting proficiency levels and develop a plan to increase achievement in identified areas. After District goals and expectations are set, this team reaches out to schools through needs assessment surveys regarding individual school concerns and needs. Using results from the survey, combined with data analysis from standardized tests and District assessments, the District creates a plan that is implemented at all schools. Brea Canyon High School, along with all of the schools district-wide, continue to implement an array of strategies to engage our students in meeting Common Core State Standards. A primary area of focus of Brea Canyon High School continues to be the building of 21st century competencies with our students in preparing to be college and career ready for a 21st century workforce. Brea Canyon High School has implemented several components into our course offerings in order to complement this vision. Some of those additions include: establishing ERWC component to our Lit/Comp 4 courses (2016); utilizing Defined STEM in building STEM instructional opportunities for students across disciplines (2016-18); establishing Apex Learning as an online alternative to credit recovery/core elective options for BCHS students (2016-present) and reviewing school data with program coordinators to ensure best-practices; building industry-based networks to expand our BCHS On Your Own graduation requirement course to establish real school-to-career opportunities for our students. Through a collaboration between administration and our BOUSD Instructional Coach team: teachers are provided forums to plan and during professional learning community (PLC) time and staff developments through use of screencasts, webinars, and in-person group sessions; two (2) teachers have joined Brea BOLD to help teachers be instructional leaders with their school colleagues in using tools like Google Classroom and G-Suites to engage students in meaningful ways; reviewing school-wide data once a month to see how data is driving instruction (2017-18). During implementation, program partners and BOUSD Instructional Coaches have provided support through in-class coaching, running student performance reports to share with participating teachers, after school workshops, individual mentoring, and break-out sessions during PLC time.

Brea Canyon High School develops its own plan for professional development activities to improve instruction and to increase student proficiency. The California Department of Education requires schools to develop school improvement plans (School Plan for Student Achievement) based upon analysis of pupil achievement in meeting state standards for improving student proficiency. Each year, the plan is reviewed and updated to reflect the changing needs of Brea Canyon's students. Brea Canyon was acknowledged in 2016 as a Model Continuation High School by the state of California and is in process of reapplying for this designation in the 2018-19 school year. Brea Canyon is WASC accredited and is continually reflecting on its processes, interventions, programs, and instructional strategies in support of its students through the Focus on Learning process of the Western Association of Schools and Colleges (WASC).
