Endorsements

Within the requirements of the Krum ISD DLA plan, KISD students must successfully complete at least one endorsement.

Endorsements consist of a *related series of courses* that are grouped together by interest or skill set. They provide students with in-depth knowledge of a subject area. Students must select an endorsement in the ninth grade.

Endorsements

Students may choose from **five** endorsement areas:

- **Science, Technology, Engineering and Mathematics (STEM)**
- **Business and Industry**
- **Public Service**
- **Arts and Humanities**
- **Multidisciplinary Studies**

DECLARATION OF ENDORSEMENT
Krum Distinguished Level of Achievement

Name: _____ ID#: _____ Grade: _____

The KUSD Graduation Plan for all students entering high school 2014-2015 and beyond is the Krum Distinguished Level of Achievement (DLA). This form must be turned in during high school registration to complete the registration process. Students are allowed to change their endorsement at any time during their high school career after filing appropriate documentation with the counselor. Although students may graduate with multiple endorsements, they are ONLY REQUIRED to select ONE at this time. Selecting only one endorsement will NOT preclude students from attaining additional endorsements.

Types of Courses

- Regular (4.0)
- Pre-AP (5.0)
- College Level (6.0)
 - Dual Credit (NCTC)
 - UT OnRamps Dual Enrollment
 - Advanced Placement (AP)

Dual Credit

Dual Credit allows students to simultaneously earn high school and college credit by successfully completing North Central Texas College (NCTC) courses.

- College credit is awarded when the student passes the course.
- Taught by college instructors and/or HS teachers who serve as adjunct professors
- Some dual credit courses are taught on the KHS campus. Students also take dual credit courses online. *(17-20 for teacher)*
- Students must qualify by taking the Texas Success Initiative (TSI) test, or by meeting TSI exemptions
- Tuition is paid to NCTC per credit hour (\$100 per 1 hr). Scholarships are available through NCTC.
 - Students who qualify for the free/reduced meal program can receive a tuition waiver.

UT OnRamps Dual Enrollment

Dual Enrollment allows students to earn high school and potentially earn college credit while still in high school.

- Taught by KHS teachers trained by University of Texas professors
- Open to students who show high achievement, who wish to experience a college-level course, and are motivated to work outside of the school day on college level material.
- FREE

Advanced Placement

The AP Program allows students to take college-level courses and the related AP exam, to potentially earn college credit while still in high school.

- College credit is granted when students pass the AP examination.
- Courses are taught by HS teachers trained by The College Board.
- Students are expected to have the skills and knowledge from prior Pre-AP courses, and be motivated to work outside the school day on college level material.
- AP courses are free. There is a fee for the corresponding AP exams.
 - This fee is reduced for students who qualify for the free/reduced meal program.

Pre AP / College Level Course Acknowledgement

Students must demonstrate a high academic ability and strong work ethic. A summer assignment may be required . Failure to complete the assignment may result in zero.
