

Summer learning loss puts students at a serious disadvantage. This is when skills and knowledge are lost over the summer months, causing students to move backwards instead of progressing.

By spending just **minutes a day** with *Summer Solutions*, students get the practice they need to keep moving forward. It was designed to help students return to school after summer break confident in the skills they've already learned and ready to master new ones.

**Your child worked hard all year. Make sure that progress sticks.
Give your child the advantage of *Summer Solutions*.**

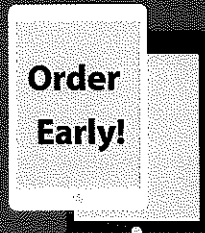

Each book is \$14.00.

School Name: **Immaculate Heart of Mary School**

Go to **www.summersolutions.net**

To place your order, enter your school code: **IHM45255**

The school code expires on: **May 12, 2019**

Orders placed before May 1, 2019 will be entered in a drawing for an iPad Mini.

(No purchase necessary to enter the drawing.)

For Rules: <https://simplesolutions.org/blog/sweepstakes>

Select the grade level that your child is completing to see all available products.

Pre-K and Kindergarten
Grade 1 Grade 2 Grade 3 Grade 4
Grade 5 Grade 6 Grade 7 Grade 8

Go to the Summer Solutions website: www.summersolutions.net. Do not go to a search window as you will get a lot of options NOT related to these books. Our School code is IHM45255. Note; that when you log in without using our code it will say the books cost \$15.99 but once you put in our code, it will show the \$13 price but this year they are adding \$1 per book at the end as a school fundraising bonus for IHM. The books are still cheaper than the \$15.99 plus shipping which you do not have to pay when getting the books through school.

ORDERS ARE DUE BY MAY 12, so that they can be delivered to IHM before the end of the school year. After May 12, the cost increases and the books will be sent to your house including shipping charges.

Choosing the Appropriate Level of *Summer Solutions*:

For *Summer Solutions Common Core Mathematics, English Grammar & Writing Mechanics, Problem Solving, Reading Comprehension, and Study Skills*:

Choose the level that corresponds with the grade level just completed. For example, if your child is just finishing **5th grade**, choose **Level 5**, this is for all of the Common Core items. It changes titles at grade 5 in the original Math books. If you have a question about which books for a specific child it is best to contact your child's teacher.

For **Original Summer Solutions Mathematics**:

- If your child has just completed **kindergarten, 1st, 2nd, 3rd, or 4th grade**, choose the level of the grade just completed. For example, if your child is just finishing **3rd grade**, choose **Level 3**.
- If your child has just completed **5th grade**, choose **Intermediate A**.
- If your child has just completed **6th grade**, choose **Intermediate B**.
- If your child has just completed **7th grade**, choose **Pre- Algebra**.
- If your child has just completed **8th grade**, choose **Algebra I, Part A**.
- **Summer Solutions Pre-K Math and Language Arts** is intended for students who will enter kindergarten in the next school year.
Refer to the Skill List for each title to see exactly what is covered in the book.

The cost is \$14 per book and they will be shipped to IHM around May 20th. You can contact Judy Gerwe at Gerwe.j@ihomschool.org for more information.
