MOTHER'S DAY SUNDAY, MAY 12

NUTRITION TO GO

Some studies suggest that blueberries can improve brain functioning and protect against age-related mental decline. The high amount of "antioxidants" in blueberries may actually help the brain stay younger longer! Blueberry season runs from May to September.

A QUICK BITE FOR PARENTS

STRANGE BUT TRUE!

"HAPPY BIRTHDAY TO YOU" IS THE MOST RECOGNIZED SONG IN THE ENGLISH LANGUAGE. BUT AT FIRST IT **WASN'T EVEN A BIRTHDAY SONG**. IT WAS ORIGINALLY CALLED "GOOD MORNING TO ALL" AND WAS WRITTEN BY TWO KINDERGARTEN TEACHERS BECAUSE IT WAS EASY FOR LITTLE KIDS TO SING!

Q: Where do we get most of the tomatoes we eat?

A: The average American eats close to 30 pounds of tomatoes a year, and all of them started off on a vine somewhere! But less than half the tomatoes we eat are fresh. We get most of our tomatoes in processed forms – out of a bottle of ketchup, in pizza sauce, or as various kinds of canned tomatoes.
