L.A. UNIFIED BOARD OF EDUCATION PRESIDENT MÓNICA GARCÍA'S STATEMENT ON LOCAL CONTROL ACCOUNTABILITY PLAN AND BUDGET

We thank every student, family, employee, and stakeholder for helping us balance our financial commitments with educational excellence as set forth in the Local Control Accountability Plan and the 2018-2019 Budget.

We are in a better position than we were during the 2008 financial crisis but work remains to achieve our goal of 100 percent graduation and every student achieving their full potential.

We will continue to work with all of our stakeholders to find the path forward toward financial stability so that every L.A. Unified student and family can experience the joy that we have experienced with the recent graduating Class of 2018.
