

MCHS Mission Statement

Morris Community High School, where the goal is to provide each student the opportunity to achieve academically, personally, and socially to his/her fullest potential.

Academically

- Students will acquire content knowledge and continue to develop life skills.
- Students will develop and demonstrate competencies in electronic communication and other related technologies

Personally

- Students will improve communication skills in speaking, listening, and team building.
- Students will explore critical thinking skills to facilitate problem solving and adapting to change.

Socially

- Students will experience the importance of citizenship and work ethic through service and enhanced cultural awareness activities.
- Students will become aware of the relevance of learning and interdisciplinary connection to current events and individual situations.
