## USM offers BW Grads Loan Repayment Assistance

---

**March 29, 2019 (Kansas City, Kan.)** – The University of Saint Mary, sponsored by The Sisters of Charity of Leavenworth, is offering Bishop Ward graduates a unique leg up on their future upon graduating from USM.

For Bishop Ward High School graduates, the student who earns a degree from University of Saint Mary is guaranteed repayment assistance with their student loans if, after graduating from USM, they are not yet earning \$42,000 a year.

“USM is quite confident in the quality of the education we provide, and we’re happy to share that confidence with some very deserving Bishop Ward students. We want Ward Cyclones to have the peace of mind that if they come to USM, they’re making a good investment in their futures,” said Sr. Diane Steele, SCL, President of University of Saint Mary and Bishop Ward Board of Trustees member.

The Sisters of Charity of Leavenworth for decades were faculty members at Bishop Ward High School and taught generations of Cyclone students. “This is a remarkable way for the sisters to continue their commitment to Bishop Ward now and into the future,” said Bishop Ward President Jay Dunlap.
