

# Calaveras Health and Human Services Agency

Kristin Stranger, Director  
Dr. Dean Kelaita, Health Officer

509 East St. Charles Street  
San Andreas, CA 95249

## Press Release FOR IMMEDIATE RELEASE

Date: March 15, 2020

Contact: Dean Kelaita, M.D., Health Officer  
Scott Nanik, Calaveras County Superintendent of Schools

### All Calaveras County Schools Closed

The safety and wellness of students, families, and school personnel are the highest priorities of all Calaveras County schools and districts. To support widespread community efforts to slow the rate of transmission of novel coronavirus (COVID-19) and the potential impact to the community, Calaveras County school officials in coordination with Calaveras Public Health, announce the closure of all schools effective immediately. The schools are tentatively scheduled to reopen Monday, April 6<sup>th</sup>, 2020. This decision will be finalized after re-evaluation of the situation at that time.

“The school closures is recommended in light of growing evidence to support early action to protect the health of all people living in Calaveras County,” said Dr. Dean Kelaita, Calaveras County Health Officer.

We understand that implementing these changes with such limited notice is challenging and disruptive, and we appreciate your patience and cooperation. This is a situation where information and circumstances can evolve quickly. For the latest information about COVID-19 visit <https://covid19.calaverasgov.us/>
