- * Finish Strong
- * Absences, Waivers, & Learning Lab
- * Reminders
- * Upcoming Dates & Events
- * CFNC
- * Exams are Coming—Prepare
- * Student Services Team
- * Nurse's Tip

We're almost done!!!

Hang in there...summer break is just around the corner. It's more important than ever for you to finish strong. Invest all that you have in those final class assignments and start preparing for your final exams. It will pay off in the end!

More than 9 absences??? Stay for Learning Lab & Get a Waiver!

Don't forget to pick up a waiver from the front office if you have more than 9 absences (includes those due to sickness / suspensions) in any class. Also, plan to stay for Learning Lab to make up time. This will be factored into waiver decisions.

LEARNING LAB!!!

If you have over 9 absences in any of your classes (this includes excused absences), please make arrangements to stay after school for Learning Lab. We still have a few more weeks of it. Be sure to get a Learning Lab slip from the instructor for which you are making up time. This slip must be given to Dr. Edgerton when you attend Learning Lab in order for you to receive credit. Each of your teachers has these slips. Below is information on when and where Learning Lab takes place. Dr. Edgerton supervises Learning Lab each day.

WHERE: Room 106

WHEN: Tuesdays, Wednesdays, & Thursdays @ 2:30 pm - 4:00 pm

WHO: Anyone who has more than 9 absences in a class

SENIORS: REQUEST A FINAL TRANSCRIPT NOW

Don't forget to stop by the Guidance Department and complete a final transcript request form so that your school counselor knows where to send a copy of your final transcript (includes community colleges / 2-year colleges). Also, if you're attending a school in North Carolina, you may request a transcript through your CFNC.org account, which will automatically send a final transcript.

SENIORS: COMPLETE SCHOLARSHIP RECIPIENT FORMS

If you've been awarded scholarships, be sure to see Mrs. Thomas in the Guidance Department (as soon as possible) to complete an information form listing all of the scholarships you've been awarded so that you will be included in our Awards Day recognitions on May 21st. You will need to provide documentation of the scholarships you've been awarded.

SENIORS: COMPLETE YOUR COLLEGE ENROLLMENT CHECKLIST

Each college is unique in what they want you to complete in order to complete the enrollment process. Be sure to check the list for your college to make sure that you meet all deadlines for deposits, forms, orientations, and other parts of the process.

Going to a 2-Year or 4-Year College in North Carolina after High School???

You'll need to complete the North Carolina Residency Determination Service before you're able to apply to your chosen schools. Here's a link to an information sheet about RDS: <https://ncresidency.cfnc.org/residencyInfo/pdf/RDSBasicsHS.pdf>. You can complete this as early as the July before you begin your senior year. It can be accessed at www.ncresidency.org.

- 6/8: Graduation Ceremony (1pm)

COLLEGE FOUNDATION OF NORTH CAROLINA

If you haven't visited College Foundation of North Carolina's (CFNC) website lately, you need to do so. It is a terrific resources for locating scholarships and grants to assist with paying for college. There are also tons of resources to assist you with anything from planning for high school, college, and career to learning about your interests and how you best learn. Additionally, they have practice tests and tips for success for college entrance exams such as the SAT/ACT. It's a great tool for applying to colleges as well. By the way, when you do apply to colleges, you can send your transcript to your selected colleges through CFNC's Transcript Manager, and the colleges should get the transcript within 24 hours. The best part about using CFNC for your transcript requests is that CFNC automatically sends your final transcript to the schools where you sent your transcript as part of your admissions application. Don't forget about CFNC after you graduate from high school. They are there to assist you beyond high school.

EXAMS ARE COMING!!!

May 23-30

Don't let exams sneak up on you. Get a jump-start on preparing for your exams so that you will do the very best you can on your exams and in your classes. Here are a few tips to help you both in the classroom now and later on your exams.

- * Review information nightly from your notebook, worksheets, Google Classroom postings / lessons, or anything else you have with class information on it.
- * Create flashcards with course information (key terms, dates / events, important names, etc.) and review each evening.
- * Meet with your teacher to go over anything you may have missed on quizzes or exams. Warrior Time is an ideal time to do some of this.
- * Make a note of anything that is confusing or you're not totally sure of and ask your teacher about it. If you don't want to ask questions during class, find a time before or after class to ask your teacher.
- * If you need help outside of class, ask your teacher when you might be able to meet with him or her for additional help.
- * If you are out of class for any reason, be sure to get your make-up work and any notes you missed as soon as possible upon your return. If your teacher uses Google Classroom or an online site, check that even when you're out of school.
- * Utilize online resources for supplemental help such as:
www.march2success.com and www.khanacademy.org.

The key to success is preparation. If you prepare now, you won't have to cram later.

HHS STUDENT SERVICES SCOOP

 - Last names D-J & 504 Coordinator
 - kandyss.thomas@wilsonschoolsnc.net

SUMMER BREAK IS ALMOST HERE...REMEMBER THESE SAFETY TIPS WHEN YOU VENTURE OUT:

Always wear a helmet when riding a bike.

Use Sunscreen, at least SPF 15

Wear eye protection when doing yard work or mowing

Wear a life jacket on the water

Always hike, bike, swim or explore with a friend and never alone

Stay hydrated, wear a hat and seek shade as needed

Wear insect repellent and check for ticks if in the woods
