Back-to-School Night Information 6th Grade BTSN: Tuesday, September 17, 2019

Dear 6th Grade Parents & Guardians,

Back-to-School Night (BTSN) is one of the most important nights we have as educators. It is our opportunity to allow you into our school and our classrooms so that you can experience your child's school day. As educators, this is our opportunity to connect with parents, introduce ourselves and share a little bit about our programs.

The BTSN program will start promptly at 7:00 PM in the auditorium. Prior to the start, our 6th Grade Team Leaders will be set up in the front lobby to distribute your child's schedule and other information. As always, please adhere to our parking regulations, the No Parking signs on the surrounding streets and please remember to be mindful of our neighbors closest to the school as you arrive and depart from BTSN.

We hope you enjoy your visit to Millburn Middle School.

Regards,

John Connolly
Principal
