Aloha Kalaheo High School Ohana,

I would like to take this opportunity to reiterate important safety information shared in the latest memo from Deputy Superintendent Phyllis Unebasami dated March 3, 2020, regarding the Coronavirus Disease (COVID-19).

The Hawaii State Department of Education (HIDOE) continues to monitor the Coronavirus Disease (COVID-19) situation. HIDOE remains in contact with the Hawai‘i Department of Health (DOH), the Governor’s office and relevant state agencies to ensure proper prevention measures and plans are in place.

This is a quickly evolving situation. We will provide Information and updates on our website at: http://bit.ly/HIDOE_COYID19.

In preventing the transmission of respiratory illnesses, I would also like to advise schools and families to follow CDC guidelines:

• Wash hands often with soap and water for at least 20 seconds, especially after blowing your nose, coughing or sneezing, before eating, and after going to the bathroom;
• Avoid touching your eyes, nose and mouth;
• Stay home when sick;
• Cover your cough or sneeze with a tissue, then throw the tissue in the trash; and
• Clean and disinfect frequently touched objects and surfaces using a regular household cleaning spray or wipe.

Thank you for your patience through this process. We appreciate your kind consideration and help with our collective efforts to protect the health and safety of our schools and school communities.

The DOH is encouraging families to do some contingency planning at the family level for the possibility of school or daycare closures.

Please know that your child’s safety is our number one priority. We will continue to share information and updates with you our Kalaheo Ohana as soon as possible.

Sincerely,
James Rippard
Principal

Girls Talk Back

Women's Fund of Hawai‘i, American Association of University Women (Honolulu Branch), and Ceeds of Peace is excited to announce its second year of Girls Talk Back.

In the summer of 2019, our inaugural program brought together 16 girls from across the island to uplift their voices, connect them with community mentors, and facilitate the creation of profound action plans, including plans to collect oral histories of Waimānalo residents, create student-led social-emotional well-being advisory councils, and foster open dialogue on the topic of abortion, among other plans.

We're inviting all girls, ages 14-18 to apply for our Summer 2020 program.

The Summer 2020 program will consist of two separate cohorts, each running Monday through Thursday from 9am-1pm over the course of four weeks. Applicants may only participate in one cohort:

GTB-Palama: 6/8 - 7/2 @ Palama Settlement
GTB-Waimānalo: 7/6 - 7/30 @ Hui Mālama O Ke Kai

This is a FREE program. All participants will receive free lunch and snacks as well.

**Have a Great Summer Mustangs! Congratulations Class of 2020!**
We completed our first round of Navigating Kalaheo sessions for new students. These sessions ran for four weeks during lunch. We covered topics ranging from school rules, policies, coping with stress, local culture, and planning for life after Kalaheo. We will be looking to improve our sessions as we move forward. We would appreciate any feedback and collaboration on pertinent information that should be shared or reiterated to new transition students. Thank you for your support.

We raffled off a gift card from a business member of the community with whom we partnered. This is in an effort to enhance local interaction between the students and the community.

Autumn Artis was the lucky winner of a $50 gift card to Lanikai Bath and Body.

Navigating Kalaheo

The Transition Center welcomed over twenty new students during the months of January and February. Our new students arrived from the east coast, west coast and even down under. It’s not easy to navigate a new school environment so if you see a new student in class be sure to welcome them with a conversation and a warm smile.

Congratulations to our first raffle winner of our Navigating Kalaheo Sessions Autumn Artis.

Project Graduation 2020

What is Project Graduation?
Project Graduation is an all-night adult chaperoned, drug and alcohol-free celebration for the graduating seniors in a safe and fun environment. Each year the majority of the senior class attends this AWESOME event! It starts right after graduation and ends the next morning. Only graduates that participate in the ceremony are allowed to attend. **Project Graduation is a parent-planned event and requires FUNDRAISING in addition to the cost per graduate because the actual cost per graduate is $300.00.**

Why do we have Project Graduation?
Project Graduation was started to keep graduates safe after graduation. It is also a great way to say goodbye to classmates, some of which you may never see again.

What will we do at Project Graduation?
Graduates will get dinner and food throughout the event. There will be a variety of activities all night long. There will be something for everyone—lots of choices!

Why is the location of Project Graduation a secret?
The location of Project Graduation is kept a secret to prevent non-graduating seniors or friends from trying to "crash" the party. A small group of parents know where the event is and will not share that information with other parents or students. If requested, parents can be given a contact number of an adult chaperoning the event.

If you have questions or want to help, whom can I talk to?
You can always stop and see Ms. Koopman (H209) or contact Mrs. Frato-Hildebrant at kfrato@gmail.com

“Traditions, traditions, traditions!”

This is the first line of a well-known song from Jerry Bock and Sheldon Harnick’s Broadway musical Fiddler on the Roof.

In Ron Bright’s 1990 production of Fiddler at Castle High School’s Theater, Kalaheo alumnus Karl Herring (summa cum laude, valedictorian) performed the lead role of Tevya and sang this song about his village’s traditions which keep their society running. The villagers are faced with figuring out how to keep their traditions even as the world around them is changing to their detriment.

Over almost 50 years, Kalaheo High School has developed traditions and written a history which serve as a foundation for students’ pride in their school and inspiration for their personal success.

Unlike Tevya’s village, the people who inhabit Kalaheo’s village change every year—students, faculty, staff, and parents.

With that in mind, let’s play “Twenty Questions.”

1. What was Kalaheo’s original school name?
2. In what year was Kalaheo High School founded?
3. What governor was Kalaheo almost named for?
4. How was the Mustang chosen as mascot?
5. How were the school colors chosen?
6. Who wrote the words to the Kalaheo Alma Mater song?
7. Who wrote the music for the Kalaheo Alma Mater song?
8. What is the symbolic meaning of the elements of the Kalaheo crest?
9. In what year was Kalaheo recognized as a National Blue Ribbon School and why?
10. Name four notable works of art at Kalaheo.
11. Name two principals who were previously Kalaheo English teachers.
12. Which Kalaheo principal rode a horse in the Kalaheo Homecoming Parade?
13. Name the current faculty/staff members who are Kalaheo alumni.
14. Where were the first Kalaheo computers and fax machine located?
15. Which of the following has never been a Kalaheo program or activity? Student Exhibitions, Writing Across the Curriculum, Senior Paper, Quiz Bowl, Common Core, No Child Left Behind, Integrated Language Arts and Social Studies, Gifted and Talented, Advanced Placement, Grade Level Houses, In-School Suspension, After-School Detention that might include filling an empty can with gum scraped off the stairs and sidewalks, none of the above.
16. Which language has never been taught at Kalaheo? French, Spanish, German, Chinese, Japanese, Hawaiian.
17. When it was resurrected, what was in the time capsule that Kalaheo students buried in the late 1970s?
18. In what year did the first senior class graduate?
19. Which senior class was the one and only class to hold its graduation ceremony on the Kalaheo campus?
20. Name four Alumni Honor Award recipients: (1) recently wrote and published a 1000+ page book, (2) opera singer, (3) senior publishing editor for the Wall Street Journal, (4) pediatrician.

If you need HELP, you might find the answers on the History and Pride Wall in the school office, in the Kalaheo Library, online, in previous school and Foundation newsletters, or from school employees.

Answers will appear in next month’s newsletter.
