Gradnight 2019
Edison High School

Statement of intent: congratulations to your student on their achievements for the school year! On June 8th in order to ensure an incredibly fun and safe atmosphere we have the following list of prohibited items. We ask your help as parents and guardians to insure none of these items are brought to Grad night. If you have any questions regarding grad night please contact the grad night chairperson at your school. Please complete and return this form to your grad night chairperson at the time of ticket purchase, thank you.

In partnership with the Anaheim Police Department, we will also be conducting screenings for banned substances. Screenings will include bag searches and the use of drug-sniffing canines. If bag searches and/or the drug-sniffing canines indicate the presence of an illegal substance, we will ask the subject student or chaperone for permission to conduct a pat-down search.

If any banned substances are found on the bus or in the possession of a student or chaperone, the matter will be turned over to the Anaheim Police Department for further action. Schools/groups that violate this policy are subject to be banned from future Grad Nite events. Attending Grad Nite is not a right, it's a privilege.
