

Dear Parents,

We are once again sponsoring Sacred Heart School families for Christmas. I intend to have the names in before Thanksgiving.

For those of you who are new to our school, we get a list of names of very needy children from Sacred Heart School in Jersey City. Our school parents, teachers and friends come to the office or call and pick out a name - boy or girl. Along with this you will receive information as to their sizes, grades, what items need to be bought and also something special that they might want.

You can then begin to shop and be able to take advantage of the Black Friday Sales. All gifts must be labeled and wrapped and returned to school by DECEMBER 10<sup>TH</sup>. We will sort out all packages, and they will be distributed to Sacred Heart on December 13<sup>th</sup>.

Last year we made Christmas wonderful for approximately 40 families. Please let's see if we can continue to be "Givers" and make our sister school, Sacred Heart, have a Blessed and Happy Christmas.

Thank you,

Carol Palmieri
