

## *Reading Under the Sea: An Enchanted Opportunity for Growth in Literacy*

You are cordially invited to participate in a unique program presented by the Allen Park High School Drama Club that will pair books, one of our favorite Disney Princesses and an opportunity to create a deeper love for reading in elementary aged students.

**Parent Requirements:** If you choose for your child to participate, you will be asked to help them in two ways. The first is for them to keep a reading log showing at least 20 minutes of reading per day for the length of the program. The second is to bring them on four separate Saturdays to the Allen Park Center for the Arts for a read-aloud with Ariel and her friends from *The Little Mermaid*. At these events, students who bring their reading log will be able to choose a free, new book to take home.

**Student Requirements:** Students will keep a reading log showing at least 20 minutes of reading every night beginning January 26. Join us on four Saturday mornings sit with Ariel and her friends as they read a story. After Storytime, students will get their logs stamped and be invited to choose a book to take home, free of charge (total of four free books per participating child). Students who complete the program will be given a free ticket to our stage production of Disney's *The Little Mermaid* on their choice of performance dates: March 15, 16, 17, 22, 23, 2019.

**Storytime dates are:**

January 26, 2019 @11:00 a.m.

February 9, 2019 @11:00 a.m.

February 23, 2019 @11:00 a.m.

March 9, 2019 @11:00 a.m.

Please fill out a reservation form to reserve your child's spot in the fantastic program!
