OUTLOOK (COMMUNICATION)
Check your email often for communications from teachers and the school. Outlook is an Office 365 app and can be accessed on your student computer or through the Student Portal on the Nampa School District website!

ONENOTE (MATERIALS)
Look for resources and materials in OneNote. OneNote is an Office 365 app and can be accessed on your student computer or through the Student Portal on the Nampa School District website!

LOOM (INSTRUCTION)
Teachers will prepare instructional videos using Loom to help deliver instruction on topics being covered in class. Look for links or videos in OneNote and watch them at your own pace like you would any other video.

STUDENT PORTAL (CURRICULUM)
The Student Portal is the home for student access to all Office 365 apps like Teams, Outlook, and OneNote. It also has links for online curriculum materials like textbooks.
