

## **Starmount Ram Academy**

Parents and Future Starmount High School Students:

The transition from middle school to high school can be difficult. Starmount Ram Academy is a great opportunity for you. Insight Human Services is making it possible to provide a program that will ease this transition. Trained prevention educators from Insight Human Services will conduct the camp.

Students will participate in fun activities during camp that will help them get to know each other. They will also become acquainted with members of the school staff, students from other schools coming to Starmount and the campus. Students will learn where important offices are located, expectations of 9<sup>th</sup> graders, how the cafeteria operates, and how to read their school schedule. Activities will include games, teambuilding and just plain fun. Best of all it is **free!**

Starmount Ram Academy will be held July 29, 2019. We will begin at 12:30 pm and we will end at 4:40 pm. Students must have an authorized pick up person sign out students daily. Please have identification available. If you are carpooling, please make sure to list those driving in the authorized pick up section on the registration form.

Please complete all registration material and return it to your student's guidance department no later than Friday, May 17, 2019.

If you have questions, please call Derrick Vickers 336-287-2411, Sean Halstead 336-406-8804 or e-mail [dvickers@insightnc.org](mailto:dvickers@insightnc.org) or [shalstead@insightnc.org](mailto:shalstead@insightnc.org). We look forward to helping your student begin a happy and successful high school experience.

Terri Fowler  
Vice – President Prevention Services
