March 21, 2019

Dear St. Elizabeth Families,

Spring is here! The children have been outside most days for recess enjoying the warmer weather. The 2nd trimester is complete now and report cards go home this week. New lunch orders are due so please don't forget to review the lunch order forms for the new month in this week's Brown Envelope.

Next Tuesday and Thursday the children in grades 5-8 are scheduled to perform ending their Improv classes for the year. Please check last week's letter for days and times. On the 29th, next Friday we will have a Mission Day.

Yesterday, several students in grade 8 participated in the Oratorical Program. First place went to Olivia B., second place to Emma B., third place, Molly N. and honorable mention to Katherine G. Congratulations to all the participants and winners and thank you to the judges and Mrs. Rogalski who organized the event.

On April 10th and May 22nd we will have additional opportunities for prospective parents to visit our school. This is not for our current parents, but for those who may be considering St. Elizabeth School for the 2019-2020 school year.

Please spread the word to your neighbors and friends and encourage them to visit us and see the wonderful things that happen here at St. E's.

Finally, as I informed you before, Mrs. Kozar is retiring in June. Mrs. Jaffe has also decided to work part time next year so we have notified our nursing provider that we need a part time nurse to work on the days Mrs. Jaffe is off. Mrs. Palmieri has also decided that she will work part time next year and I will fill that position as well. We wish all those making changes the best for the future!

Enjoy this first Spring weekend!

Sincerely,

Karen A. Lewis
