**INCLEMENT WEATHER DAYS** - Three inclement weather days are added to the calendar. These will be subtracted from the end of the year if not used. In the event there are more than three inclement weather days, November 27 and April 8 are potential make-up days as well. These will be determined by the Superintendent. In the event of a late opening on an early dismissal day, early dismissal will be rescheduled.

**NOTE:** Recent legislative action allows schools to open five (5) days after June 15, 2019 to make up days due to weather closures. June 15 through June 22 may be used in place of previous days or in addition as needed. Parents: Please take this into consideration when planning family trips.

**FLEX Day Note** – Flex day opportunities will be held throughout the summer:

One required duty day will be designated as a summer professional development day for FLEX Day. (Unit I; Article VI, 3c)
