

Ad-Hic Windham High School Renovate as New Building Committee

Site Survey Question Response.

November 13, 2018

#1

- Section III. Proposed Requirements.
 1. The requirement is one (1) original with a sealed cost proposal. Ten (10) copies and one electronic copy. The electronic copy and the paper copies do not include the cost proposal.
- Section IV. Selection Process.
 2. The public opening is to document the firms that have submitted proposals and to document that they have complied with the core requirements of the RFP
- Section V. Submissions
 3. It is expected that the cost proposals will be publically opened at the next scheduled meeting of the building committee. This meeting is scheduled for December 3, 2018 at 7pm in the central office conference room #G128 355 High Street Unit B Willimantic, CT 06226.
- T2 Survey
 4. The RFP calls for a T2 survey this is what is required please price accordingly.
- Access to Court yard
 5. Access to the interior courtyard will need to be after school hours this would be after 2:45 daily or on a Saturday.
- Access to site
 6. We can grant access to the site at most times of the day. There may be limited access to the sports fields depending on gym or athletic game and practice schedules.
- Completion
 7. Should be within 30 days of signing the contract.
- Insurance
 8. The building committee will make the final determination on the insurance requirements. At this point please base your bod offer on the following insurance limits.
 - i. General Liability \$1,000,000 each occurrence
 - ii. Auto Liability \$1,000,000 combined single limit
 - iii. Workers Comp As prescribed by law
 - iv. Professional Liability \$5,000,000 OCC/AGG
