If you answered yes to ALL of the above questions, you are eligible for a Parcel Tax Exemption on your current Property Tax Bill.

Application Forms can be found by clicking on the Parcel Tax link on the bottom right of the District website at: www.ogsd.net

Three options are available to apply for an exemption:

1. Come to the District Office with your documentation and we'll take copies and prepare a check for your reimbursement.
2. Mail the form and copies of your documentation to the District Office. Our address is on the application form. After your application has been processed, a check will be mailed to your home address and your parcel # will be added to the exemption list.
3. Complete and e-mail the signed Senior Citizen Exemption Application Form along with your supporting documentation to:
business_support_services@ogsd.net

How do I stay on the exempt list?

Once your application has been processed, the parcel tax will be removed from your property tax bill. You will remain on the exempt list until there is a change in property ownership. You do not need to do anything to remain on the exempt list.
