CBC also retains the right to alter the schedules of the bus service depending on the needs of the drivers, the school, or the busses. The school also retains the right to alter the routes and times, depending on traffic, construction projects, or number of riders at each location. While CBC cannot always anticipate when these situations will arise, we will do our best to communicate in a timely manner with our students and families via e-mail so that alternate arrangements can be made if necessary. CBC will strive to ensure minimal disruption to the bus schedule throughout the year.
