

Summer Reading for Rising Second Graders

The primary goals of our summer reading program are to promote a love of reading for pleasure and to encourage reading continuity as a bridge to the next school year. In order to make summer reading a meaningful experience for our students, the entire grade should participate in the list of requirements. Choose books which are appropriate for the child's ability and interest level. We encourage you to become involved with the selections your child makes.

Requirements

1. Each child should read a minimum of eight (8) books.
2. Parents should fill out the verification form and sign it, thus verifying that the books have been read. The form should be turned in to the child's teacher during the first week of school.
3. Be prepared to take an AR test on one (1) of the books read the first week of school.
