

# Honors Advanced Art

*Summer assignment 2018*

## Interior Design Unit

Due: the first day of classes, September 2018

1. You will receive a room to design and a client to design for. Generate a creative solution that meets the client's needs.
2. Create a **floor plan** on an 8 1/2 " x 11" paper. Make sure it is to scale. Floor plans may be computer generated or hand drawn.
3. Put together a **sample board**. Use pictures, fabric swatches, color swatches, wall finish, accessories, lighting, furniture, etc. Boards must be sturdy (foamboard, mat board, NOT flimsy oaktag )
4. Make a **rendering** (drawing) of the room. It may be in black & white **or** color.
5. Give a **presentation** in class which includes #1, 2,3,4. (you may have a student pose as the client if you prefer) . Make sure your solution meets the client's needs

\*\*\*execution / craftsmanship is essential.
