

Riverview Community Schools

Elementary Home Learning Resources

While Riverview Community Schools is closed following Governor Whitmer's announcement, there are many opportunities for students to continue their learning at home. These resources are intended to help students maintain skills. Below, please find resources to support your child at home. These resources are NOT required for students and participation will not impact their grades. We appreciate your partnership and support during this time.

If possible, we encourage you to frequently check Schoology. Many of our amazing teachers are posting activities and are communicating additional resources through their course page.

The resources listed under each department are used frequently in school can be accessed through ClassLink. <https://launchpad.classlink.com/riverview>. Be aware that some of these links and apps may not open on all devices. You may have to try multiple devices.

Unless otherwise noted, the additional resources listed may require you to create an account.

If you are having issues logging in, please contact your building's principal or secretary.

ELA

- Frontier (4-5) - Frontier taps into student interests and experiences to build confident, engaged writers.
- eSpark (KDG-3) - eSpark automatically differentiates for your K-5 students based on their current needs, giving them targeted instruction in reading and math.
