January 14, 2019

Dear Parents, Guardians and Friends,

In 2014, Spot's Inn entered into an agreement with Saint Patrick School. The agreement said in part that Spot's would lease the kitchen facilities to operate their catering service in exchange. Spot's Inn would provide meal service to the School. It is a wonderful partnership.

Last week, Spots announced that the business is closing permanently as of May 2019. We are saddened by this news. Everyone in the "crew of Spots" have become part of the Saint Patrick Ohana. Not only have they provided delicious and nutritious meals, Spots also provided for our faculty parties, May day lunches, Athletic games and many more event. However, there is a bright side.

The same "Spot's Crew" is continuing as new employees of Saint Patrick School. Parents, students, and teachers can expect the same quality and friendly service as we have enjoyed these past years.

In order for the school to maintain a cafeteria, there will be slight changes in pricing, number of food choices etc. The Administration recognizes the need for quality menus at reasonable prices. The Administration is finalizing details for 2019-2020 Parent orientation.

We anticipate a smooth transition. We ask for your understanding and support. Please direct questions to Sister Anne Clare De Costa, ss.cc.
