AP French Summer Work 2020 (to help you succeed!)  
All work to be uploaded to google classroom

1) Journal Keeping for Writing and Vocabulary Growth
You will keep a journal over the summer with a minimum of 1 entry per week of at least one paragraph in length from July through August. The topic can be anything of your choosing. For example, you can write about your opinions on a certain topic, describe your day, or just write a mini-story. Try to vary your tenses. It is expected that you use a dictionary and look up new words to use each time to broaden your vocabulary base (VERY important!!) I will not grade this journal - only check that you have made a strong effort and have completed it- it’s for your personal growth and thoughts.

2) Listening and Reading Comprehension and Vocabulary Growth
Spend approximately 15 minutes per week viewing videos and completing listening activities at these sites:
http://www.rfi.fr/lffr/pages/001/accueil_exercice_ecoute.asp

Reading: http://www.parismatch.com/ (click on an article topic to read the entire article)

From these listening and reading resources, write down the names of the videos you view / articles you read and 5 words in French and English that you learned per session. You should have a list of at least 20 words per week, .that is, a minimum of 5 fifteen minute sessions. Place each week’s vocab on a page with a heading of the title and the date completed. By the time school begins, you should have at least 6 lists of 20 vocabulary words = 120 new words!!.

Vary your viewing and reading to include the following themes that appear on the AP French exam:

1. Science and Technology  
2. Contemporary Life  
3. Family and Community  
4. Beauty and Aesthetics  
5. Global Challenges
