Principal's Message:

The annual school report was established as an accountability component of Proposition 98, passed by the California voters in November, 1988. This report, which is to be issued by all elementary and secondary schools in the State, will give you information about Coolidge: our programs, successes, resources, and the areas in which we need to make improvements.

This annual report describes a school that has a history of solid academic achievement with a strong commitment to student needs. The staff at Coolidge is dedicated to our students, setting high expectations, and providing the motivation for student excellence. In 2002 and 2012, Coolidge Elementary School was chosen as a "California Distinguished School." I hope that you find this information both informative and useful. Please call me with your questions or comments at (626) 282-6952.

School Mission Statement:

Our vision is to provide a rich and balanced academic curriculum in a safe, clean, nurturing, and productive learning environment, in order to achieve the mission of cultivating caring and responsible citizens who value learning and diversity, and who are prepared to interact positively with all cultures.

Community & School Profile (School Year 2018-19):

Located in Southern California's San Gabriel Valley, ten miles east of downtown Los Angeles, San Gabriel Unified School District educates more than 5,200 kindergarten through twelfth grade students on a traditional calendar schedule. Established in 1781, the San Gabriel Mission was the fourth California mission and is considered the birthplace of the Los Angeles region. San Gabriel Unified School District was founded in 1868 and is proud of its long tradition of academic excellence. The district is currently comprised of five elementary schools, one middle school, one traditional high school, and one continuation high school.

Coolidge Elementary School is dedicated to ensuring the academic success of all students, and provides the most comprehensive educational experience possible. All programs at the school are founded on the principle that students come first. Coolidge Elementary is embarking on the school transformation model "The Leader in Me," which is based upon Stephen Covey's book "The 7 Habits of Highly Effective People." Published in 1989, it has sold over 25 million copies and has transformed millions of lives and countless organizations, businesses and schools. The Leader in Me framework seeks to transform our paradigm and approach to students, to impact their lives in a positive manner and give them the tools to succeed in life.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

The school district held a public hearing on September 11, 2018 and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption.

The table displays information collected in October 2018 about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

Textbooks and Instructional Materials

School Facility Conditions and Planned Improvements (Most Recent Year)

Situated on 5.56 acres, Coolidge Elementary School was originally constructed in 1951. The campus is currently comprised of 21 classrooms, a cafeteria, an administration/staff lounge, a staff resource room, a new asphalt playground, a library, and a computer lab (Media Center). Recent remodeling included the addition of new cafeteria tables and an intervention reading lab.

Coolidge Elementary School completed modernization in 2000 which included adding air conditioning and heat to all classrooms, handicap accessibility to restrooms, new doors, and handicap hardware. In 2005 construction of a 4500 square foot library and computer lab were completed. Associated site work included a new asphalt playground at the building's location. Construction of the new playground was completed in 2006-07. Installation of fencing was completed in September 2009. Future planned construction includes a new parking and drop-off area, and removal, replacement and renovation of grass field areas.

The chart illustrates the results of the most recent school facilities inspection. While reviewing this report, please note that even minor discrepancies are reported in the inspection process. The items noted in the table have been corrected or are in the process of remediation.

Cleaning Process

Coolidge Elementary School provides a safe and clean environment for students, staff, and volunteers. The district governing board has adopted cleaning standards for all schools in the district. Basic cleaning operations are performed on a daily basis throughout the school year with emphasis on classrooms and restrooms. A joint effort between students and staff helps keep the campus clean and litter-free. The principal works daily with the custodial staff to develop sanitation schedules that ensure a clean, safe, and functional learning environment.

Maintenance & Repair

A scheduled maintenance program is administered by Coolidge Elementary School's custodial staff on a regular basis, with heavy maintenance functions occurring during vacation periods. Additionally, a scheduled maintenance program is administered by San Gabriel Unified School District to ensure that school grounds and facilities remain in excellent repair. A work order process is used when issues arise that require immediate attention. Emergency repairs are given the highest priority; repair requests are completed efficiently and in the order in which they are received.

Deferred Maintenance Budget

The State School Deferred Maintenance Budget Program provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes the following: Roofing, Plumbing, Heating, Air conditioning, Electrical systems, Floor systems, and Interior or exterior painting.

School Facility Good Repair Status (Most Recent Year)		
Year and month in which data were collected: November, 2018		
System Inspected	Repair Status	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	
Interior: Interior Surfaces	Good

Overall Rating	Exemplary	

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2017-18 CAASPP Results for All Students						
Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
ELA	63.0	58.0	57.0	58.0	48.0	50.0
Math	60.0	55.0	45.0	44.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students						
Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
Science	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3--Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2018-19)

Parents and the community are very supportive of the educational program at Coolidge Elementary School. Numerous programs and activities are enriched by the generous contributions made by the Parent Teacher Association (PTA). The PTA sponsors a number of activities for the school including but not limited to:

- Spring Carnival
- Enrichment Programs
- Arts
- Book Fairs
- Jog-A-Thon
- Holiday Pageant
- Assemblies
- Variety Show
- Instrumental Recital
- Fundraisers
- Spelling Bee
- Field Trips
- In Class Workshops
- Classroom Grants
- Teacher Appreciation Week

Parents consistently volunteer in classrooms which provides Coolidge students with additional support.

The San Gabriel Educational Foundation (SEF), a non-profit organization, also supports District schools. SEF raises funds that support student learning in the classroom.

Contact Information

Parents who wish to participate on Coolidge Elementary School's leadership teams, school committees, school activities, or become volunteers may contact the school office at (626) 282-6952. The school's website (www.coolidge.sgusd.k12.ca.us) also provides a variety of resources and helpful information for parents, students, and the community.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

All guests to the campus must sign in at the office and wear a visitor's badge at all times. Supervision is provided to ensure the safety of each student before school, during breaks, at lunch, and after school. Supervision is a responsibility shared among teachers and school administrators.

To safeguard the well-being of students and staff, a comprehensive School Site Safety Plan has been developed, with updates occurring annually in the winter. Any revisions made to the plan are reviewed immediately with the staff. Key elements of the Safety Plan focus on the following:

- Disaster response procedures
- Schoolwide dress code
- Child abuse reporting procedures
- Bullying prevention
- Sexual harassment policy
- Safe ingress and egress of pupils, parents, and school employees

The school is always in compliance with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. Safety drills, including fire, earthquake and lock down drills, are held on a rotating basis.

Professional Development provided for Teachers

Staff members build teaching skills and concepts through participation in conferences and training throughout the year. For the past three years, the district has sponsored three staff development days annually where teachers are offered a broad-based variety of professional growth opportunities in curriculum, teaching strategies, and methodologies. Staff development day topics included reviewing testing data and differentiated instruction. For additional support in their profession, teachers may enlist the services of the district's Beginning Teacher Support and Assessment (BTSA) Induction facilitator and/or the Peer Assistance and Review (PAR) program. During the 2015-16 school year, all elementary schools in the district have added early release Wednesdays to also support the teachers' professional development needs. Beginning in the 2017-18 school year, staff have received 7 Habits of Highly Effective People training through the Covey organization. The school is in the process of introducing The Leader in Me, which is based on the 7 Habits of Highly Effective People.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
