"Where Good Things Happen"

Progress Reports - Quarter 2

Progress reports will be sent home with each student on Wednesday, December 19. The end of the second quarter will be on January 28 and Quarter 2 Report Cards will be sent home with students on February 4. Don't miss the opportunity to access your student's progress 24/7 by logging into PowerSchool.

Evergreen Middle School Staff Supports the United Way

Our staff gave \$ 3,185.00 to this year's local United Way campaign. A portion of these funds support Evergreen Middle School students directly through our InvestED program that supports those less fortunate in our school. We use our InvestED funds to make sure that students that may not be able to afford the fees associated with after school have an opportunity to participate in all of the athletic and non-athletic programs offered to our students.

The Giving Tree - Evergreen Community Donates BIG!

This year, the leadership class collected a large amount of gift cards as part of the "Giving Tree" that were given to "unaccompanied youth" in an effort to ensure these older students have a nice Christmas. "Unaccompanied youth" are teenagers who do not live with their parents due to an array of circumstances. The PACE Character Trait for December is CARING and students and parents did just that! Thank you Mrs. Trent and the leadership students for an outstanding campaign!

Chess Champion Knighted!

Congratulations to Neal Pan, Evergreen's Chess Champion! Neal will be the next in line having his name on the Championship Trophy and on the reader board. We had 55 students competing in our final chess tournament. This is just one of the many after school intramural activities that helps make Evergreen unique! Thank you Mr. Snook for coaching this year's Chess Club.

Barnes and Noble Bookfair

Our annual Barnes and Noble Bookfair in mid-November helped us raise \$827.68 that we have spent on books for our library. Our current circulation is approximately 12,100 books that we want to continue to grow. Thank you to Mr. Molter and both Jazz Bands along with Mrs. Young and the Chamber Orchestra for playing at Barnes and Noble. Thank you to everyone that support-

Grade 7 & 8 Boys Basketball Begins January 3

Boys' Basketball begins on Thursday, January 3. Information packets including a detailed schedule should be available from Mr. Chalich. Athletic participation forms and fees must be turned into the office before any student athlete can attend their first practice. We exercise a no-cut policy and encourage our students to participate in extra curricular activities.

Challenges of Winter

With winter, comes the challenge of getting students to and from school safely and on time. I am encouraging parents to exercise patience in the parent drop-off and pick-up area located parallel to 16th Avenue as we use a continuous "rolling" line of traffic approach that keeps this area moving if we all work together and play by the same rules.
