HEF Grant Recipients – Spring 2017

1. Kathryn Shoop District Office $273.00

   Materials will be provided for 100 games, that will target specific articulation and language skills. The games will be available for student checkout through the HSD Speech-Language pathologists.

2. Kasia Hoover Hermiston High School $1,645.00

   35 tickets will be purchased for students to participate in a cultural performing arts event. The students attending will be AP literature students, choir students and drama students.

3. Lori White Armand Larive Middle School $2,093.00

   Funding from this grant will provide 7 headset wireless microphones to be used at ALMS. The headsets will also be used for the elementary holiday concerts as well as Rocky Heights "American Dream" performance and the city of Hermiston drama productions.

4. Kelly Robison Hermiston High School $1,650.00

   Funds from this grant will be used to purchase DXF cut ready files and a Steel Patinas Super Starter Kit. The DXF files will be used to cut out metal art, wood panel and used by the engineering department to design metal art. The second item will be used to color or stain the metal to get different effects on steel.

5. Bryan Smith Armand Larive Middle School $888.00

   A class set of Atlases with online activities as well as a 5 year E-book subscription will be purchased with these funds. The atlases come with activities and lessons to aide students in the Social Arts and Sciences classes.

6. Corrinne Applegate Armand Larive Middle School $814.00

   Funding will provide 10 Isokinetics Ball Chairs with Metal Frames. Also 1 high volume air pump will be purchased.

Total : $7,363.00
