

Dear Families and Friends of Aristoi,

Thank you for your commitment to providing the students of Aristoi Classical Academy the best in academics while encouraging them to become young men and women of virtuous character. Your support provides students the individual attention and advanced academics of a private school at no cost to families. The students at Aristoi Classical Academy need your support today to continue enjoying the classical model of education which focuses on the innate desire of children to know more.

**Your past support culminated in the graduation of ACA's first senior class in 2018!**

You have helped to promote the development of the whole person by encouraging students to pursue a love of learning. Students are compelled to develop the skills of critical thinking and effective verbal and written communication. Aristoi Classical Academy pairs academic instruction with an emphasis on building character and timeless values such as respect, temperance, service, and honesty.

Almost all of the school's income comes from the state of Texas but at about an estimated \$1,500 less per student annually than independent school districts such as Katy ISD.

Your donations, **now through December 31st**, will go towards **two transportation vans**, and at the Elementary school campus, **an outdoor classroom and mounted projectors in the classrooms.**

Aristoi Classical Academy invites you to invest in our students to enhance their academic and extracurricular experiences. The reward for your help is a new generation of students who write well, think critically, and communicate clearly. Please donate today at [aristoiclassical.org/give/](http://aristoiclassical.org/give/).

Thank you for your dedication to Aristoi Classical Academy and to the education of your children.

Sincerely,

Brenda Davidson  
Superintendent/Headmaster

P.S.: **Every dollar donated between now until December 31, 2018** will be counted towards a chance for your favorite teacher to receive one of two great prizes!
