Week of: 9/16/19

North Chickamauga Hiking LE: TOMORROW

We are so excited for our erosion hike tomorrow! Here are a few last minute suggestions and reminders:

- Parent Chaperones will meet on site.
- If you're a chaperone please plan to help carry a couple water bottles and snack for our hikers. A small backpack is suggested.
- Students are suggested to wear : comfortable walking shoes, hats, sunscreen, & bug spray.
- Talk with your child tonight about hiking safety (stay on the trail and with the group, don't touch plants or wild life. There are NO bathrooms on site!!! Prepare them for this as well ☺

A Peek at Our Week:

Math: Students will review subtraction and begin modeling this operation on an HTO chart.

Literacy: In reading perform 2 reader's theater plays about the schools we have learned about in our mentor text Off to Glass. In the later part of the week we will discuss benchmark tests and practice a few testing skills.

Module: In light of our much anticipated erosion hike, we will learn about natural land changes and research how these are prevented.

Reminders!

- Book Fair in the Library all week. Students may shop before or after school and during their 2 library times.

Help us Out!

- Untied shoes are a safety concern. If your child cannot tie their shoes please teach them at home!
- Help students memorize their lunch numbers to speed up lunch buying process.
