Food Drive

10 days to radically reduce hunger in Orange County

>The Problem

- 400,000 people struggle with hunger in Orange County annually!
- Children and seniors make up 50% of those in need of food assistance.
- Many of the people who need food assistance have full- or part-time jobs. But in a county where housing costs are among the highest in the nation, a full-time job does not guarantee that a family will be able to make ends meet.

>Your Impact

- Bring can and packaged food to class!
- Food drive begins on Monday November 5th and ends on Friday November 16th.

Items in demand...

- **Can fruits, vegetables, meats and soups**
- **Packaged beans, pasta and rice**
- **Cereal**

PLEASE no perishable foods or glass containers.

>Paying it forward

All food will be donated to the OC Food Bank. For every pound of food collected, our school will receive \$0.10 back (up to 3,000 lbs.). To pay it forward, the PTA will donate all proceeds to the Cypress Boys and Girls Club to help provide Thanksgiving meals to those in need.
