Dear Greensburg-Salem Golden Lion Families,

It is hard to believe summer has come to an end and the start to the school year is only weeks away. Beginning on Monday, August 12th, we will begin another fall sports season for our Golden Lions. The district has had a busy summer with the renovations to our track at the high school and new turf at historic Offutt Field.

If your son or daughter plans to participate in a fall sport, please make sure they have the following items completed prior to the first day of fall sports on Monday, August 12th. If they do not have these items complete, they will not be able to participate until they are completed.

- Register with FamilyID -located on our school website under the "Athletics" tab
- Complete Sections 5 & 6 of the PIAA Comprehensive Physical

While our weather hasn't cooperated as we hoped this summer, it has delayed the completion of the turf installation at Offutt Field. As this is a temporary inconvenience for our first week of camp, we will reap the benefits for this season and years to come with our new surface. With that being said, the delay in Offutt Field has altered practices times and locations for the first week of camp.

Below is the **NEW** camp schedule for all of our fall Golden Lion teams for the first week of camp (August 12th – August 17th)

We are looking forward to another exciting and successful fall season!
