Summer Program 2019

Parent Compact

Daily Attendance is Expected: In order to maximize the potential of the summer learning experience, it is important that every child maintain regular attendance. Please inform your child's teacher if they will be absent.

Punctuality is Expected: The summer program sessions are brief and fast-paced to maintain student interest and maximize learning. It is important that students arrive for their session on-time and stay for their entire scheduled session. If a child arrives late, a parent must bring them directly into the school to sign them in at the office. If a child is more than 10 minutes late for a session, he/she may not be able to participate that day at the teacher's discretion.

Appropriate Behavior is Expected: Safe, positive behaviors are essential to the learning process. In order to maintain the integrity of the learning environment for all students, summer program staff have the right to remove a child who is behaving inappropriately from this optional summer program. If a child is behaving in an inappropriate manner, summer program staff will provide him/her with two warnings. If the behavior continues, the child will no longer be allowed to participate in the program.

Please initial the appropriate line regarding transportation:

_____ **Bus Transportation:** I requested busing when I enrolled my child for the summer program.

I am aware that there **MUST** be an authorized person (parent/guardian, emergency contact) at the building to meet my child upon the bus's return. For the safety of all students, we will remove bus privilege the first time a child does not have an authorized person waiting to meet them at their elementary building after their session.

If I want my student to walk home from the bus stop without an adult, I must notify the bus driver in writing.

_____ **No Bus Transport:** I will transport my child to and from school each day. I am aware that I must stay with my child until he/she is greeted by the teacher no earlier than 5 minutes prior to the start of the session.
