

## **ADMISSION OF RESIDENT STUDENTS**

**JFAA**

In accordance with the laws of the State of Delaware and with the policies and regulations of the State Board of Education, all children who are legal residents of the Seaford School District have the right to a free and appropriate education. Pursuant to that, the Seaford Board of Education recognizes its obligations to establish administrative regulations for the admission/enrollment of children into its schools. Such regulations should take into consideration information relating to:

- Legal guardians
- Legal residence
- Health data
- Date of birth
- Academic records
