

St. Finn Barr Catholic School  
2019 First Annual Makerspace Showcase  
Kindergarten - 5th Grade

# SFB First Annual Makerspace Showcase

Tuesday, April 30  
1-2pm

Come join us as we share the learning that has occurred in our classrooms this year in STEAM -

Science  
Technology  
Engineering  
Art  
Math

**Kindergarten** - Building collaborative skills through free exploration

**1st Grade** - Building collaborative skills through free exploration

**2nd Grade** - Making a connection to St. Joseph and Jesus as carpenters by building and painting crosses

**3rd Grade** - Integrating social studies, engineering and math by creating covered wagons similar to the ones pioneers traveled in

**4th Grade** - Integrating language arts, visual arts and technology to create stop motion movies that illustrate themes in *The Lion*, *the Witch*, and *the Wardrobe*

**5th Grade** - Building both problem solving skills and collaborative skills to create a variety of simple machines
