Secure Your Place in class Today!

This course is the first step in the college preparatory sequence. This class is designed to develop a solid and precise Algebraic foundation that is essential to your student's mathematical growth. We will cover the Foundations of Algebra, Equations, Inequalities, Functions, Linear Functions, Systems of Equations, Factoring Polynomials, Quadratic Functions and Equations, Rational Functions and Equations, Radical and Exponential Functions. This course is specifically designed to teach to the California state standards.
See you there!

Payments to: Donald Jett ; return with enrollment form to the high school office.

CCS Summer School Policy

- CCS 2018-2019 Enrollment **must** be completed before consideration for summer school.
- CCS 2018-2019 Full Summer School course payment is required by the end of the first week, *or you will be dropped from this course.*

(Please cut here and return bottom portion to the High School Office)
