Students must attend at least 3 rehearsals in order to participate. Students in grades K-4 must have a parent or caregiver attend the practice. All children must sign in and check out. Please be sure kids come prepared to practice with an extra snack, plenty of water and whatever they need for their routine. Students should bring homework and/or book to read while waiting their turn to perform. We are in need of some volunteer parents to help with the following: chaperones for practices, program design, stage backdrop and crafts/activities. 8th graders are invited to attend and are also needed for crew. To register your child, please go here <https://www.signupgenius.com/go/9040B49A9AD29A57-annual>
Email Stephanie and Mary mp3 file of music edited and cut for your child's act. Any questions fee free to email.
