School Accountability Report Card

Reported Using Data from the 2017-18 School Year

Published During 2018-19

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2018-19)

Aileen Colburn is a preschool to sixth grade school serving approximately 426 students. The school is a non-busing school and maintains a warm community climate. "Our mission is to inspire greatness through the consistent implementation of a rigorous academic program with collaboration among staff, students, and parents while building an outstanding community of learners. The school has made strides with technology to enhance and enrich instruction. All classrooms have data projectors and document readers. Chrome books are used in each grade level to enhance instruction.

The student population is ethnically diverse with a great majority of students, currently 98%, qualifying for free and reduced lunch. Spanish is the language spoken by the majority of the families and 43% of the students are classified as English language learners. Character building is an important part of the school program. The staff uses the Character Counts program which targets good citizenship in all aspects of school life. A student leadership group of fifth and sixth graders, "Cougar Leaders", model community service for all students. Each month an awards assembly is held to honor students for character and academic achievements.

Reading prevention and intervention programs are used to promote reading growth and fill gaps in reading for all students kindergarten through sixth grade. Data is used to diagnose reading strengths and weakness and to help form the best reading and language arts instruction for each student.

The Aileen Colburn staff works diligently to provide a caring, collaborative atmosphere focused on maximizing each student's academic and social growth.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

School Facility Conditions and Planned Improvements (Most Recent Year)

Under present Atwater Elementary School District practices, the maximum enrollment for Aileen Colburn is 520 students in TK through sixth grade. These students are provided a safe, orderly environment in which to learn. School facilities are adequate and safe. The school provides consistent student supervision, which is provided by classroom teachers, instructional assistants, campus supervisors, the principal, and other school personnel. The playground equipment is inspected monthly by the custodian. The custodian, supported by the maintenance personnel of the District, makes needed repairs and improvements to the school buildings, grounds and equipment. Aileen Colburn School is clean and inviting and the school is in good condition. The Atwater Fire Department provides regular inspections of the facilities for hazards, as do other public and private agencies. Aileen Colburn has regular emergency drills, rewards for positive behavior, and consequences for negative behavior. The school also has a written dress code for students. The Aileen Colburn Safety & Discipline Committee meets regularly to discuss safety concerns. Aileen Colburn is currently using Positive Behavioral Interventions & Supports (PBIS) school wide.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2016-17	2017-18	2016-17	2017-18	2016-17	2017-18
English Language Arts/Literacy (grades 3-8 and 11)	46.0	42.0	48.0	47.0	48.0	50.0
Mathematics (grades 3-8 and 11)	36.0	37.0	33.0	35.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in ELA by Student Group Grades Three through Eight and Grade Eleven (School Year 2017-18)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	229	222	96.94	41.89

Students with Disabilities	44	38	86.36	7.89
Students Receiving Migrant Education Services	--	--	--	--
Foster Youth	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Mathematics by Student Group

**CAASPP Test Results in Science for All Students
Grades Five, Eight, and Ten**

Subject	Percentage of Students Meeting or Exceeding the State Standard					
	School		District		State	
	2016-17	2017-18	2016-17	2017-18	2016-17	2017-18
Science (grades 5, 8, and 10)	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2017-18)

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
5	15.6	45.3	21.9

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2018-19)

At Aileen Colburn the active and involved parent/teacher organization, PAWS (parents assisting with support), sponsors several events throughout the year. In addition, the School Site Council and English-Learner Advisory Committee are involved with the development of the School Site Plan. The Community Outreach Coordinator works closely with the parent groups and other neighboring community and business organizations to bring services and support to parents and students at the school. The coordinator may be contacted at the school office Monday through Friday at 209-357-6136. The Parent Square system is used to support good communication with parents through text, auto dialer, and email reminders.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

Rate	School			District			State		
	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18

Expulsions	0.0	0.0	0.2	0.0	0.1	0.1	0.1	0.1	0.1

School Safety Plan (School Year 2018-19)

Aileen Colburn School has a comprehensive School Safety Plan that provides a framework for emergency response and disaster preparedness. The safety plan also outlines the duties of school staff and students during such events. There are evacuation plans in place should the need arise. The Safety Plan was reviewed and approved on November 13, 2018.

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Average Class Size and Class Size Distribution (Elementary)

Percent Difference: School Site and State	N/A	N/A	-20.2	0.0

Note: Cells with N/A values do not require data.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

Types of Services Funded (Fiscal Year 2017-18)

Atwater Elementary School District receives a variety of State and Federal funds that are designed to further support the needs of our students. Funds are allocated on a yearly basis based on student population and needs at each individual site. Listed below are the types of funds AESD receives.

Federal Programs:

Title I, Part A

Title III, LEP

State Programs:

After School Education and Safety (ASES)

General and Categorical funding are strategically used to increase student learning results. Categorical funds are used to support goals and action plans in the School Plan for Student Achievement.

Expenses include, but are not limited to, staff professional development, supplemental instructional materials, technology, and extended day learning opportunities for students.

For detailed information on salaries, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Professional Development (Most Recent Three Years)

Teachers participate in grade level collaboration trainings each year. They are also released by substitute teachers to receive additional training during the school year. After school and summer optional trainings are also offered. During the last three school years, teachers have been provided on-going professional development in the areas of: objectives, Depth of Knowledge, class engagement, CAASPP and ELPAC assessments, English Language Development, reading trainings, Illuminate platform for district assessments, and special education. Professional development sessions for teachers this year focused on Next Generation Science Standards (NGSS), Mathematical Mindset and Mathematic Number Talks.

The district has three instructional coaches to help all teachers with ELA, assessments and technology. School sites participate in site specific professional development, based on their data, during weekly Professional Learning Communities (PLC) meetings. All schools participate in grade level academic conferencing pull out days for teachers to discuss student progress, data, and future instruction, based upon the data gathered. In addition, new teachers to the district receive another layer of support with the Induction Program. This includes two days of trainings, after-school trainings, visiting other classrooms in the district with their induction mentor.
