

“PEANUT/NUT FREE” LUNCHROOM TABLE RELEASE AND HOLD HARMLESS AGREEMENT

It is the district’s practice that students with peanut/nut allergies are seated at a “peanut/nut free” table during lunch.

If you wish your child to be seated at a table where peanut or other nut products may be consumed, the following two (2) items are required on an annual basis.

- An original, current doctor’s note, dated no earlier than July 1 of each year, with an original doctor’s signature, which contains verbiage stating that, from a medical standpoint, your child can sit at a lunch table where peanut or other nut products may be consumed and that by doing so the child is not at risk of imminent harm to his/her health or well-being.
- An original, current Hold Harmless Agreement (a sample is on the following page), affixed with your original signatures as well as that of witnesses.

Both documents must be returned to your child’s school. Once both of these documents are received, and if they are in order, your child will be able to sit at a regular table in the school cafeteria. These documents will remain on file in the district for the current school year.

Any questions should be directed to the principal or vice principal of your child’s school.
