Morse PTO Needs YOU

As the school year comes to a close it is time to elect
a new PTO board for the 2018-2019 school year.

What is PTO: PTO is Morse's parent-teacher
organization.

What is the purpose: The purpose is for parents and
teachers to work together to help bridge the gap
between what is provided by the school district and
what teachers need/want to perform their jobs
successfully. This means helping to raise funds to pay
for field trips, books, classroom materials and much
more. In addition, the PTO holds events as an
opportunity for our Morse community to come
together to have fun that is affordable and safe.

Who can be on the PTO: Anyone! The only
requirement is that you have a child currently
enrolled at Morse

Do I need experience: No

Do I need any special skills: No

Does the PTO take a lot of time: PTO time
commitment is approx. 3-5 hours a month depending
on the position you are interested in. Some take more
time than others.

What types of positions are there: President, Vice-
President, Secretary, and Treasurer

great. It is very rewarding to be able to have an
impact and to support the Morse community.
