

Child Development Services November 2018 Service Learning Project

Hometown Heroes

(Celebrating Veterans and Military Personnel)

This Month, CDS will be honoring all those who serve and have served in the military. Our students will make cards, draw posters, share stories and come up with other creative ways to share their thanks to those who are/were in the United States Armed forces. Feel free to share ideas with your child of various ways to be thankful for their service.
