Distribution of Food and Supplies  
(Processed USDA Foods and Commercial Food Products, Grocery, Snack, Beverages & Paper Goods)

Please note the following changes from original Bid No. 2019-2020

**QUESTION:**

1. In reviewing the bid sheet under paper I do not see any hot and cold films either clear or printed listed. Are you not putting these films out to bid this time around? I just want to make sure I just didn't read it incorrectly as this is our first time bidding your district.

**ANSWER:**

The hot and cold films are under a lease contract for five (5) years. The other films are under the bid threshold.

**QUESTION:**

2. We received this bid notification from Gold Star. I have a question for you – Are you accepting any alternate products/equivalents for your commodity items? I read through your bid language but want to make sure I'm not wasting your time. I am checking to see if we should submit pricing for our items that are part of the Super Co Op Price Catalog. It please advise so we know how to proceed.

**Answer:**

Yes.

13. Substitutions: All items bid must conform to the specifications set forth in these bid documents. Whittier Union High School District reserves the right to reject all bids that do not conform to the specifications. ***When bidding on brands or products other than those specified, the Bidder must state on the proposal form if you are submitting an "equivalent" or "like" product from what is currently on the planned menus.*** Use of the patent or proprietary names or the names of manufacturers in these specifications shall be deemed to be used for the purpose of facilitating a description and shall be deemed to be followed by the words or "equal" unless the proposal specifically requires no substitutions.
