Long Term English Learners:

Wednesdays after school- 2:00-3:00

Tutoring for math will begin soon. Students were identified and invited based off of the beginning of the year assessments. Students will be re-evaluated every 6 weeks to determine their need for tutoring. Reading Intervention is provided through our After School Program and through out the day with our Reading Intervention Teacher. The Boys and Girls Club (Donovan Center) at Inspiration Park has free help during their Power Hour from 3-4pm, Monday - Friday as another resource as well. Please contact your child's teacher if you have any concerns regarding your child's academic progress.
