

AMERICAN AGCREDIT SCHOLARSHIP

American AgCredit has partnered with the San Joaquin Farm Bureau Federation and established this scholarship with the purpose of providing aid to students who wish to pursue careers in the agriculture industry. One \$2,000.00 scholarship will be awarded annually.

♦ Who is eligible?

Any student entering or attending an accredited four-year college, university, or graduate program, and pursuing a career in any agricultural field and that has been involved in their community.

♦ How are recipients selected?

This scholarship is awarded based on the student's recognized and demonstrated desire to pursue a career in the agriculture industry. In addition to academic performance, these awards will focus on students who have demonstrated a clear understanding of the importance of community service.

♦ Distribution of Funds

The recipient must submit official proof of registration showing the student's full-time enrollment before funds will be disbursed. The student must also have a declared major in agriculture or a related field.

A scholarship check will be sent directly to the recipient's college, which may credit the recipient's account for tuition, books, laboratory fees, or other academic costs.

Recipients will be presented a certificate recognizing the award at the SJFB's 105th Annual Meeting in mid-June.
