

VOCATIONAL / TECHNICAL CAREER OPPORTUNITY SCHOLARSHIP

This scholarship fund was established to assist students enrolled full time in a program based vocational/technical training program at WCJC, TSTC, or Victoria College (NO commercial schools) who have been residents of Wharton County, Texas, for at least 2 years and have acquired their high school diploma or GED from a Wharton County school system. This scholarship is not intended for students in 4 year / Bachelor's degree targeted programs. The award will not exceed \$1000 for tuition and fees per program semester, and may be considered for renewal for additional semesters upon providing to the donor committee a transcript that proves good academic standing. Payment will be made by the Wharton County Community Foundation directly to the training institution only upon receipt of proof of enrollment and an official document from the school listing the unpaid tuition balance.

The application form must be completed personally by the applicant and submitted to the scholarship donor's committee at least **6 weeks** prior to enrollment deadline or class start date. Acceptance or rejection decisions will be made in a timely manner to meet enrollment requirements. Selection is decided by the committee and its decisions are final.

The required recommendation letters should refer to financial need, character, work and school experience, career potential, etc. People providing letters must be identified by job, business, position title, mailing address, phone number, etc. Family members / relatives do not qualify as these required references. Letters must be manually signed by the writer.

Applicants who have been awarded other scholarships in excess of tuition and fees total needed per semester will be asked to decide how to divide the payout. Payment of any excess will not be made to the student.

Mail fully completed applications to:

Vo-Tech Scholarship
Wharton County Community Foundation
102 North Washington
El Campo, TX 77437
