## SCHOOL DISTRICT

### **DENNIS TOWNSHIP PRESCHOOL EXPANSION 2019-2020**

We are proud to announce Dennis Township has been awarded Preschool Expansion Funds! These funds will enable us to expand our current program and provide a tuition-free program for eligible Preschool students.

We are currently seeking additional students to begin in our new Preschool class on October 1, 2019. If your child is currently three or four year years old and not turning five before October 1, 2019 you may submit a Preschool application.

Students who are already enrolled in our Preschool Program do not need to submit an application.

Applications can be found on the Dennis Township School website or they can be picked up at the Primary School on 601 Hagan Road, Cape May Court House. Available spots will be awarded based on a lottery system.

**Applications are due Friday, September 13 at 3:00 PM. There is no exception to this deadline.**

The Preschool lottery will be held Tuesday, September 17 at 10:00 AM at the Primary School. Families may attend the lottery but do not need to be present for their child to be a candidate.

After the lottery, families will be notified of their child's status. A waiting list will be compiled for students who are not selected.

If you have any questions about The Dennis Township Preschool Program, please contact Principal Jamie VanArtsdalen at 609-861-2821, ext. 102

### **CHILD FIND**

*Parents who suspect their child may have special needs can receive help from the district's Child Study Team. The goal of The Dennis Township School District Child Find program is to locate and provide services for children, age three or older, who may have motor, cognitive, language, and social/emotional difficulties. Information may also be provided on how and where to obtain services for children with special needs under 3 years of age. Evaluation and an educational program (if needed) are all available free of charge through the Child Study Team. For more information, please call Monica DiVito at 609-861-2821 ext. 522*
