

Dear Parent/Guardian,

We are so excited to have Dr. Peter Halas offer his services to our scholar athletes. On Wednesday, September 11, 2019, Dr Halas will be present at our 508 building to offer FREE sports physicals to our 5th, 6th, 7th and 8th graders.

We encourage any scholar interested in participating in any sport this school year, including cheer, take advantage of this wonderful opportunity.

The state mandates ALL sports physicals be completed on state forms. Those forms have been distributed to your scholars by Mr Wiltbank. The forms are also able to be printed off our College Achieve Website and/or picked up from the school.

Please note that all forms MUST be completed in their entirety before a physical can be performed. **ALL FORMS are due to the nurse COMPLETED by Tuesday, September 10.** Any form not completed in its entirety, signatures, unanswered questions will be returned to the scholar resulting in being unable to receive a physical.

Parents you need NOT be present for the physical, unless you would like to be. If you are not able to be present, please complete permission for Dr Halas to examine your child. **THIS FORM MUST ACCOMPANY THE COMPLETED PHYSICAL FORMS** if you will not be present. It is imperative that this form is returned or your child will not receive a physical.

We understand this can be a tedious task, these rules are not the rules of College Achieve, but NJ State Laws and Mandates for participation in interscholastic sports. We encourage scholars to have a well rounded school experience and being able to offer sports programs is a privilege we are excited to offer to any child who chooses to participate. Please do not hesitate to reach out to me for questions.

I, _____, give permission for the physician to perform a sports physical on my child _____ Grade _____ on September 11, 2019.

Lynne Moloughney, RN
