

## Volunteer Form

We invite you to join us in making this year a wonderful experience for our students. Volunteering at Waldorf High School will help you get to know other families, learn more about your student's education and contribute to the school's learning environment and social atmosphere.

Below are some of the areas in which your involvement will be greatly appreciated. To help us plan, please fill out this form (one form for each parent please) and return it to the school.
