

## What is Dual Immersion?

*Dual Immersion is a challenging and rigorous academic program that begins in kindergarten and continues through fifth grade. Spanish is the target language of instruction. Students learn in Spanish in K-1 grades and master the Spanish skills to add on the English language skills at third grade and beyond.*

*As the level of instruction in the DI program holds an added value of rigor, it prepares students for future participation in TCHS's International Baccalaureate Program and Diploma.*
